T. DINESH

Team Lead – Global IT Operations | IT Infrastructure & Operations

Visakhapatnam, India | +91-8331956172 | dineshtankala85@outlook.com | linkedin.com/in/dinesh-tankala | dinesh371.github.io/My-Portfolio

PROFESSIONAL SUMMARY

IT Infrastructure & Operations Lead with 9 years of experience running reliable, secure enterprise IT. Currently runs global IT operations at Pro-Vigil Surveillance Services, owning service delivery, infrastructure availability, network security, ITSM, identity and access, and business continuity for a US–India organization. Combines hands-on depth in firewalls, endpoint security and Okta with people management, vendor negotiation and audit readiness. Microsoft Azure (AZ-104) and Microsoft 365 certified, with practical ITIL and security compliance experience.

KEY ACHIEVEMENTS

- **Business continuity:** Restored service within 3 minutes during a firewall outage.
- **Endpoint security:** Cut security incidents by 30% while sustaining 95%+ patch compliance.
- **Full visibility:** Deployed CrowdStrike Falcon to remote branches, reaching 100% endpoint coverage.
- **Zero-downtime access control:** Implemented RBAC and ACL-based controls with no operational disruption.
- **Identity:** Rolled out Okta single sign-on and MFA across enterprise applications.

SKILLS

▪ **IT Infrastructure & Operations Management**	▪ **People Development & Mentoring**
▪ **ITSM & SLA** — Jira Service Management	▪ **Incident & Problem Management** — RCA
▪ **Change Management** — ITIL, CAB	▪ **IT Asset & License Management** — Snipe-IT
▪ **Network Services** — VPN, DNS, DHCP, VLAN	▪ **Firewalls** — Sophos, SonicWall, WatchGuard
▪ **Network Security** — NAT, IPsec VPN, DMZ, RBAC/ACL	▪ **Infrastructure Monitoring** — PRTG
▪ **Business Continuity & DR** — RTO/RPO, DR Plan	▪ **Backup & Recovery** — Spanning, Restore Testing
▪ **Endpoint Security (EDR)** — CrowdStrike Falcon, Webroot	▪ **Patch & Vulnerability Control** — NinjaOne RMM
▪ **Identity & Access (IAM)** — Okta, SSO, MFA, JML	▪ **Threat Triage** — Falcon alerts, SPF/DKIM/DMARC
▪ **Cloud & SaaS** — Azure, M365, Google Workspace	▪ **Operating Systems** — Windows Server, Linux
▪ **Scripting & Automation** — PowerShell	▪ **Compliance** — ISO 27001, SOC Audits
▪ **Vendor & Contract Management**	▪ **Capacity Planning & IT Budgeting**

PROFESSIONAL EXPERIENCE

Team Lead – Global IT Operations, *Pro-Vigil Surveillance Services* **Sep 2023 – Present**

Visakhapatnam, India

Scope: 10-member L1/L2 team | 800+ users | 1,000+ endpoints | 50+ applications | 4 locations in the US and India

Team & Service Delivery

- Allocate workload, prioritize tickets and escalations, and mentor the team in troubleshooting, incident handling and SOPs.
- Resolve240 tickets a month against SLA targets and report operational KPIs to senior management.

IT Service Management (ITIL)

- Configure Jira Service Management workflows, queues and SLA policies across 50+ applications, and drive root cause analysis (RCA) for critical incidents.
- Oversee change management through CAB reviews, ensuring every production change is approved and documented.
- Direct IT asset and license management in Snipe-IT and negotiate vendor contracts.

Infrastructure, Network & Availability

- Maintain networks across Visakhapatnam, Hyderabad, HQ and the SOC, including core network services and VLAN segmentation.
- Own firewall policy across Sophos, SonicWall and WatchGuard: least-privilege rules, LAN/WAN/DMZ zones, SNAT/DNAT and port forwarding, and troubleshooting of routing, stateful sessions and site-to-site IPsec VPNs.
- Expanded PRTG monitoring with 50+ new sensors and alerts, enabling faster incident response.
- Administer 6 SaaS platforms: Microsoft 365, Google Workspace, RingCentral, KnowBe4, Spanning and Zoom.

Security, Identity & Compliance

- Run CrowdStrike Falcon EDR, Webroot and Ninja One for protection, patching and full-disk encryption on 1,000+ endpoints.
- Assign devices to the correct Falcon CIDs and prevention policies; triage alerts through process-tree analysis and investigating phishing via SPF, DKIM and DMARC checks.
- Govern Okta access policies for 800+ users, and automated Joiner-Mover-Leaver workflows that onboard 30–50 new hires a month.
- Prepared evidence for 4 SOC and ISO 27001 audits and coordinated remediation of identified gaps.

Projects, Planning & Business Continuity

- Delivered infrastructure projects including new office setup, server and system migrations, network and firewall upgrades, and device and OS rollouts.
- Forecast hardware refreshes server capacity and license needs, and contributes to IT budgeting.
- Keep the disaster recovery plan current with defined RTO/RPO targets, validated through quarterly backup restore tests.

System Support Specialist, *Dynata* **Dec 2021 – Sep 2023**

- Handled L2/L3 escalations for Windows Server, desktops and business applications for a global user base, using PowerShell to script routine administration tasks.
- Resolved ~130 incidents and service requests monthly through Jira within SLA and escalation timelines.
- Coordinated onboarding, offboarding, endpoint setup, asset tracking and access administration.
- Contributed to audit readiness through access reviews, endpoint compliance reports and security documentation.

Technical Engineer, *HBL Power Systems Ltd.* **Jan 2021 – Dec 2021**

- Maintained routers, switches, servers, firewalls and structured cables across 3 sites and 600+ endpoints.
- Diagnosed system and network performance issues and carried out upgrades and preventive maintenance.

EARLIER EXPERIENCE

- **IT Support Executive**, Piramal Swasthya Management & Research Institute — Feb 2019 – Jan 2021
- **IT Support Engineer**, Progressive Infovision Pvt. Ltd. — Nov 2018 – Dec 2018
- **Network Engineer – NOC**, Pioneer Elba's Ltd. — Dec 2017 – Oct 2018

CERTIFICATIONS

- Microsoft Certified: Azure Administrator Associate (AZ-104)
- Microsoft Certified: Azure Fundamentals (AZ-900)
- Microsoft 365 Administration Certification
- Microsoft Certified Professional (MCP)
- Microsoft Technology Associate (MTA)
- RingCentral Certified Professional (2024)

EDUCATION

Bachelor of Computer Applications (BCA), Aditya Degree College, Andhra University, Visakhapatnam — 2014 – 2018
Languages: English, Hindi, Telugu, Odia
